Dentists Filing Memorandum - DC

We are pleased to inform you of the recent agreement with Affinity Insurance Services, Inc., a Division of AON, to include their Dentist Advantage business with our existing, filed Dentists Professional Liability program offered on behalf of the National Society of Dental Practitioners, Inc., a risk purchasing group (Filing #s: AIC-04-EO-13 and AIC-05-EO-06). The Dentist Advantage program was previously underwritten by Fireman's Fund Insurance Companies (filing made for American Insurance Company, a subsidiary of Fireman's Fund) and was approved for their use in 2007.

Given that there is significantly greater volume in the Dentist Advantage program than with our existing Dentists business, we have utilized the knowledge gained from that business to enhance our existing product. In addition to creating an enhanced product, the changes listed below will consolidate both the Dentists Advantage business and our existing business into a single rating and underwriting approach which will eliminate the need to handle Insureds in your state in a bifurcated manner.

The changes referenced above are outlined below:

☐ **The Base Rate will not change.**

☐ The coverage forms will have the following changes:

- The Claims Made & Occurrence Dentists Professional Liability Insurance Form will remain intact with the exception of several minor enhancements which have been added to the coverage for no additional charge. The updated forms are included in this package. For your convenience both the final version of the form, as well as the black lined version which tracks the changes have been included.

Some highlights of the additional enhancements are as follows:

- Who is an Insured has been expanded to include a Dentist's spouse and Dental Hygienists.
 - Regulatory Review Coverage has been amended to a \$50,000 Limit.
 - Employment Practices Liability (\$5,000/\$5,000).
 - Exclusions were eliminated for the following: Sargenti Paste; Chloral Hydrate, Halcion, Triazolam; X-Rays for Therapeutic Treatment; Libel, Slander & HIPAA Violations.
 - Limits of Insurance were amended to include separate limits for each named dentist and named insured.
- In order to provide similar coverage for our Insureds to what has been offered through the Dentist Advantage program, this product will also offer General Liability Coverage using ISO coverage forms currently on file. This coverage will be provided on an optional basis at the same additional pricing as the Dentist

Advantage program. Coverage for Premises, Product/Completed Operations, Medical Payments (\$10,000/\$10,000), Non-owned & Hired Auto Liability, Employee Benefits Administration Liability and Medical Waste Legal Reimbursement (\$50,000/\$50,000) are all included in this additional charge. In addition to these basic coverages, we are also offering, on an optional basis, coverage for ERISA Fiduciary Liability Coverage (\$100,000/\$100,000) and Billing Errors & Omissions Coverage (\$25,000) for a nominal charge which is included in the updated Rating Rules.

- ☐ The Rating Rules and Rate Plan have been modified to include the previously mentioned changes associated with the additional General Liability Coverage as well as the changes listed below.

Some highlights of the changes include:

- In order to provide coverage for a broader range of Dentists we have adopted the filed and approved Class Descriptions & Class Plan Relativity Factors of the Dentists Advantage program.
 - We have added several Increased/Decreased Limit Factors to correspond with the Limit options included in the filed and approved Dentists Advantage program.
 - In order to provide more pricing options to our Insureds, we have included deductible options along with their corresponding credit factors. These deductible options were also a part of the filed and approved Dentists Advantage program.
 - We have added the approved Dentists Advantage Group Discount for policies issued to two or more dentists.
 - We have adopted the Fireman's Fund Claims Made Step Factors, which have a minimal impact to our Current Insured's.
- ☐ We are including an amended application which includes components of both our existing Application as well as the Dentist Advantage Application. Much of the content was developed with input from The Academy of General Dentistry Association.

Included in this submission are the following informational documents for your reference:

1. Enhanced Claims Made & Occurrence Dentists Professional Liability Insurance Forms and Declarations Page along with the black lined version which indicates the changes from the current filed and approved form.
2. The additional non-ISO endorsements and coverage parts.
3. Updated Rating Rules.
4. Updated Rate Plan.
5. The amended Application.

We are pleased to notify you of these changes which will provide a significantly enhanced product to our Insureds.
